**Subject:** RELIEVING CONFIRMATION

Dear HOD ,

I hope this message finds you well.

I am writing to formally request a written confirmation regarding my resignation from Manappuram Finance Ltd. As per the company policy, the notice period is three months; however, I have been informed that the notice period has been waived off at Manappuram Finance Ltd. (Gold Loan).

Since no official communication has been provided to this effect, I kindly request confirmation of the following:

1. The notice period has been officially waived for resigned employees (early relieving with notice period buyout waived by employer), including
2. Last working date and assurance of receiving relieving and experience letters.

3. There will be no legal implications or notice period shortfall charges in the future.

- I would be grateful if this confirmation could be provided via official email or letter for my records. This will ensure clarity and avoid any misunderstandings during the final settlement process.

- 
- Please let me know if any additional information or documentation is required from my side. Thank you for your support and assistance.
